PNEUMATIC MOBILO 300, 470, 690 and 900

with HD-Controller up to 10 bar (142 psi.)

PNEUMATIC
mobilo

Mobile and absolutely independent.
For all pneumatic devices.
Totally unaffected by temperature or weather.
Environment friendly by using a refillable compressed air cylinder.

PNEUMATIC MOBILO 300

with 3 l. (0.66 gal.) compressed air cylinder KT-300
Weight including metal case: 8,4 kg (18.48 lb.)

PNEUMATIC MOBILO 470

with 4,7 l. (1.03 gal.) compressed air cylinder KT-470
Weight including metal case: 9,2 kg (20.24 lb.)

PNEUMATIC MOBILO 690

with 6,9 l. (1.52 gal.) compressed air cylinder KT-690
Weight including metal case: 12,2 kg (26.84 lb.)

DRUCKLUFT MOBILO 900

with 9 l. (1.98 gal.) compressed air cylinder KT-900
Weight including metal case: 13,3 kg (29.26 lb.)
